

Clinton Valley Families,

This year we are starting an online Student Art Gallery! **Artsonia.com** gives you the opportunity to connect with your student's artwork throughout the school year. It also helps students show off their amazing creativity and artistic progress.

Artsonia is also a great way for us to raise money for the Art Room. I love providing our student artists with the best supplies and most creative lessons, which depends heavily on fundraising. In the past, we used Square 1 Art as a fundraiser. Unfortunately, we were only able to pick one artwork to publish and we had to order in a very short time frame. The delivery and pricing options were also not ideal. However, with Artsonia you will be able to order **ANY** of your student's artwork on a product at **ANY** time during the school year.

I will send a QR code through PBIS to help you connect with your student's work and please message me with any questions! I will be posting our first art projects of the school year in the next week.

Thank you for your continued support,

Mrs. Olivia Perucca
